**Purpose of Addendum:**

**1) Provide answers to questions received.**

Q. On the cardboard boxes I have these questions

1) Are these dimensions okay? 15-1/8 x 11-1/8 x 4

Answer - yes

2) Is the box white on the outer layer and natural cardboard colored on the inner layer? If not, what are the colors?

Answer – All white

3) What are the locations and size per location for the imprint? The amount of ink and art size determines the plate charges.

Answer - the location would be the top center. I'm not 100% sure on size but we would like the N with the sword centered with "Nicholls Scholar" in red script underneath it

4) Just to confirm, the bid line item reads "4 color inside and out" which means full-color CMYK in our printer lingo. But, you are wanting the N with sword logo printed in 4 spot colors only, correct?

Answer - the 4 colors apply just to the N with the sword, there would be red font underneath for the script

Q. Item 1 20 oz Glass Bottle with Silicone Sleeve, Double Sided Engraving. Do you want imprint on the silicone sleeve? Or Engraving into the glass?

Answer - the engraving is on the silicone

Q. Item 2 Engraved Power Bank, is this engraved into the metal or an imprint on it?

Answer: it is engraved into the metal – only one color

Answer: All items – except engraved item - will contain the University logo “the N with the sword” with the working Nicholls State University under it. The logo has red, white, gray, and black. No requirement for PMS colors on logo items.
